The President then requested permission of the House to place before the House a note regarding the contribution to be made to the Mahatma Gandhi National Memorial Fund He referred to the appeal issued by Dr Rajendra Prasad, President, Mahatma Gandhi National Memorial Fund, Indicating the objects for which the Fund was going to be utilised such as establishment and maintenance of homes for the benefit of poor women and children, hospitals and charitable dispensaries, maternity and child welfare centres, for prevention of leprosy and promoting the encouragement of basic education and training of adults for citizenship and women in domestic science etc , The President referred to the liberal contributions made to the Fund by many of the local bodies He said that it behoved on a premier municipality like Mysore to show its reverance to - Mahatma Gandhi by contributing its mite towards the noble objects of the fund and suggested that a sum of Rs 10,000/- might be subscribed by the Municipal Council, the cost being met from the closing balance

Sri H Narayanaswamy thanked the Chair for the timely suggestion placed before the House for their consideration and in view of the statement issued by Dr Rajendra Prasad, regarding the utility of the amount moved the following resolution -

" Resolved that a sum of Rs 10,000/- be contributed to Mahatma Gandhi National Memorial Fund out of the Municipal Funds and the same be met out of closing balance of the current year's Budget "

Sri P Gopalakrishna Setty seconding the proposition stated that this was a very small contribution that the Municipality was making to the above fund considering the objects for which the amount was being utilised and especially when lakhs of rupees were being contributed by individuals and local bodies all over the country He was only sorry that the financial condition of the Municipality did not permit a more liberal contribution being made towards the Fund

The resolution was then unanimously passed by the House
